Orange Clothing is
Required in the Field

2014 Judge John Knowles

I spent most Christmas Holidays as a youth with my Mother's family in southern Georgia. This is where I began my love for hunting dogs. My Uncle Harry was an avid bird hunter and owned many bird dogs. He would take me hunting and I was crazy about my Uncle Harry, shooting quail, and hunting behind pointers and setters.

As I grew up, the passion for bird hunting never left and when I bought my first home in Jefferson City, Missouri, I decided I wanted my first hunting dog. That first dog was a Springer Spaniel named Homer. I had no idea how Springers were supposed to hunt let alone train one. I bought every book and video on dog training that I could get my hands on. I even went to a Brittany trainer for help. After a couple of years in Missouri, I was transferred to Lakewood, Colorado. One of the first things that I did after moving there was to contact a trainer that I had seen advertised in Gundog Magazine. That trainer was Tim DeGroff. Tim taught me much about Springers and Springer Field Trials. He also helped me find my first field trial dog, AFC Bailey's Bounty. For this I am ever grateful to Tim.

As with many new field trialers, I caught the trialing bug. Training became a passion and a weekly event. After many years in Colorado, I developed many friendships within our training groups and consider most of them to be family. I have since moved to Kansas but I still miss those weekend group training sessions.

Since those first dogs, I have had a lot of influences and learned from each person and dog that I have trained with. I love to watch dogs work. It still amazes me as it did when I was young boy with my Uncle Harry. To me nothing beats watching a great dog take something that appears to be complicated and make it look simple. I am thrilled and honored to be chosen along with Alex to judge your great dogs at this year's National Championship. As you come to the line, I will be pulling for each one of you to have your best day in the field. Best of luck!

—John Knowles

2014 Judge Alex Stewart

It is truly an honor and privilege to judge the best bird dogs in America.

In the past twenty-seven years, I have noticed the best always come to the top and excel in every situation. The rapport between a powerful dog and a great handler is always a thrill to watch.

Some people say luck has nothing to do with field trialing, I would say you have to have luck and the dog that can handle it to excel.

I've judged two nationals, gunned many and have enjoyed competing and championing fourteen dogs. I understand the pressure competing causes as I have placed in four nationals.

To run in a trial takes a team effort, I want to thank all those individuals who have helped me throughout the years,

I will do my best to give every dog the opportunity to show their skill, and wish every handler and owner the best of luck.

—Alex Stewart

Best Wishes from the 2014 National Open Judges

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7-112 shot.

11. Wearing an article of blaze orange clothing is required in the field.

A SHORT HISTORY OF THIS TRIAL

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed.

Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National field trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several byproducts of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

AWARDS & TROPHIES

NATIONAL CHAMPIONSHIP STAKE

TO THE WINNER

- The title of “National Springer Spaniel Field Champion”.
- The title of “Field Champion”.
- The Field and Stream Sterling Silver Challenge Trophy.
- The Sterling Silver Prescott Challenge Trophy.
- The Trophy for permanent possession.
- The Sterling Silver Saighton’s Sizzler Challenge Trophy donated by John M. Olin.
- The Evelyn Monte Memorial Trophy presented by the Ladies Spaniel Field Trial Club of Greater Newark and Friends of Evelyn Monte to the First Place Dog and Owner. This is a perpetual trophy to be awarded annually at the National Open Championship.
- The Talbot Radcliffe Sterling Silver Cup. A perpetual trophy to be awarded annually to the breeder of the winning dog.
- Special A.K.C. Rosette with Medal.

FOR SECOND, THIRD AND FOURTH PLACE WINNERS

- Trophies for permanent possession.
- Special A.K.C. Rosettes with Medals.

FOR THE BEST PERFORMANCE BY A DOG HANDLED BY AN AMATEUR, PROVIDED THE DOG COMPLETES ALL SERIES OF THE TRIAL

- Special A.K.C. Rosette with Medal.
- The English Wildflower “Heather” Challenge Trophy. Given to the handler of top amateur handled dog and to be won three (3) times to be retired.

THE WILLIAM E. & PATRICIA K. LANE MEMORIAL TROPHY (silver)

Presented by the Southern Michigan Springer Spaniel Training Club, Inc., is to be awarded to the best amateur handler in the National Championship. To qualify the amateur handler must place first, second, third, fourth or be awarded a certificate of merit. This is to be a perpetual trophy with no permanent possession. Each year the name of the winning handler and a date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.

**The English Springer
Spaniel Club of the Central
States wishes GOOD LUCK
to all competitors**

Thank You

Pat and I would like to express our heartfelt thanks to members of the Oklahoma, Kansas and Colorado clubs for their work during the past two years. The old bird pen was torn down and a new one constructed; brush was cleared; grass cover planted; trees were cut down or dozed out (Donny Pyle escaped being burned up when he cut a large gas line with the bull dozer) as well as numerous other projects to prepare for the 2014 National Open Championship.

Thank you very much

Pat and Don Bramwell

Northeast Wisconsin Spaniel Club

WHEN NUTRITION COUNTS

The birds are scarce, but he continues his search, working the ditches and fence rows quartering through the field. Then the find and the flush and you say to yourself, "This is what it's all about".

His breeding, your training/conditioning combined with high-quality nutrition have made this possible.

Give him the high-quality nutrition that helps keep him in the field when other dogs are heading for the truck. Feed what many top field trialers feed — Purina® Pro Plan® Performance Formula.

*Real chicken is the #1 ingredient, for a high-quality protein source to help support muscle mass for strength and provide energy
VO2 max optimizes oxygen metabolism so dogs burn fat more efficiently
Natural sources of glucosamine for joint health and mobility
High levels of antioxidants to help support a healthy immune system
Rich in omega-3 fatty acids, including EPA and DHA
Highly palatable*

For more information of interest to sporting dog enthusiasts, visit www.proplan.com/sportingdog/mag
