2019 Judge Chad Betts

I was born November 13, 1957 at Graceville, Minnesota, my parent's families are from western Minnesota small town and farming roots. In the early 60's my parents moved to Wichita, Kansas due to a job transfer with a pest control company my dad worked for. In 1972 my dad started a pest control company, "Betts Pest Control, Inc." I have worked in this company all of my adult life, and some before that. Sixteen years ago, when my dad retired, my brother and I bought the company from my dad, and I manage it to this day.

My dad, Rudy was an avid quail hunter and always had two Brittanies. He instilled a love of dogs and bird hunting in me.

In 1978, I bought a Springer pup from Cliff Hankins, who raised the great, "Burcliff" dogs. Cliff helped me train, "Cheyenne." She placed third in her first puppy stake and placed first in a Houston puppy stake in a two-puppy entry. So needless to say, Cliff got me hooked.

I had the opportunity to train with Roy French (Denali Sunflo Kennels) for several years, before his passing, and learned much from him as well as many others along the way.

I have trained several Field Champion Springer Spaniels, English Setters, Pointers, and even one Brittany. I am also involved with the Spaniel Hunt Test program, and have trained eight Master Hunters.

I had the honor of judging the 2017 National Springer Open Championship with Skip Smith, which was a wonderful experience for me.

I am also honored to have been selected to judge this years National Amateur Spaniel Championship along with Mike Wallace.

I am very much looking forward to watching the greatest dogs in the game and wish good luck to all!

Best wishes,

—Chad Betts

2019 Judge Mike Wallace

My dad bought Taffy, our first springer when I was 8 years old in 1966. She was a black and white tri. I've had a springer or many springers around ever since. I trained my first, "Lady" when I was 16. She was Taffy's granddaughter.

After years of hunting feather and fur with my springers I decided to check out the field trial game and ran my first puppy stake at the Pittsburgh Trial in 1987. I didn't get a ribbon but I did get instantly hooked on the sport of ESS field trials. The same year Salmy Kennel was founded.

I turned pro in 1991 although I continued working a real job, as we say, for many years and finally went full time in 2006.

Thru all these years and many great dogs and many blessings with so many humbling honors and accomplishments I find myself humbled once again by the awesome folks in the springer game that have elected me to judge the National Amateur Championship.

Along with my co judge Chad Betts we'll sort thru and observe and analyze each series and every dog and determine your 2019 NAC Champion.

Thank you for the honor and trust to judge the 2019 National Amateur Championship.
Good luck!! — Mike Wallace

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

AWARDS & TROPHIES

NATIONAL AMATEUR CHAMPIONSHIP STAKE

OTHER

- The Ladies Amateur Spaniel Handlers’ Association National Amateur Challenge Trophy.
- ESSFT.com (Guns Award) Sponsored by Holly Boggess.
- Don Cande Memorial Trophy. A perpetual trophy to be presented on behalf of the Eastern Interclub and Don Cande friends to the best looking and best working bitch entered in this year’s national whether or not she completed.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

We Need Your Help!

any ESSs (type, with/without registration, with/without known clinical/genetic status) are welcome to participate

The English Springer Spaniel Foundation Board has enthusiastically committed the largest single grant in its history to take PRA research forward on behalf of all English Springer Spaniels. This project is undertaken as a partnership between the Springer Foundation and the AKC Canine Health Foundation. A grant of \$108,498 has been awarded to Keiko Miyadera, DVM/Ph.D, at the University of Pennsylvania. Without generous and continuing donations from the English Springer Spaniel community and the collaborative support of the Canine Health Foundation, this grant would not have been possible.

What We Need From You

Dr. Miyadera will be attending ESS events to conduct eye exams - please bring your dogs to be examined.

If you have a dog that has tested as affected and have blood banked at the University of Missouri, please reach out to Dr. Miyadera with that information.

If you have a dog that has developed PRA, please reach out to Dr. Miyadera to find out how you can participate in the study.

QUESTIONS? contact Dr. Miyadera kmiya@upenn.edu

Background Information

A mutation in the gene *RPGRIPI* has previously been associated with PRA, a blinding retinal disease in dogs. This mutation runs in the ESSs and a DNA test has been made available for over a decade. However, the number of cases that are diagnosed with PRA is much lower than expected from the mutation frequency. The study aims to clarify the relationship between the DNA test and the dog's retina and vision. It is suspected that more than one genetic factor is involved in causing PRA in ESSs. Our goal is to establish a reliable set of DNA tests that can better predict the course of PRA in ESSs.

Here is a form for participation. If available, please supply copies of any historical eye exam reports and a copy of your dog's registration (if applicable).

2020 NOC SCHOLARSHIP PROGRAM

The ESSFTA NOC will award up to three educational scholarships in 2020 to help English Springer Spaniel Field Trialers, their children and grandchildren with the costs associated with higher education.

Purpose

- Assist English Springer Spaniel Field Trialers and/or their children or grandchildren with costs associated with their higher education by granting 1-3 education scholarships/year in the amount of \$500.00 each

Eligibility Criteria

- Student, or their parent or grandparent participated in ESS Field Trials (e.g., as competitor, gunner, planter, field trial chair, or field trial secretary) or served as a club officer in an AKC recognized ESS club, as an inter-club chair, or a NOC officer within the past 3 years
- Student is enrolled full time in an accredited community college, college, or university and is pursuing a postsecondary degree (associate, baccalaureate or post-baccalaureate) or certificate, or is enrolled in an apprenticeship program and pursuing trade certification or licensing
- Student displays evidence of leadership, engages in volunteer activities, and exhibits potential for a successful career
- Student has a demonstrated financial need

Process

- Applications must be submitted no later than June 1, 2020
- Applications will be reviewed by the Scholarship Review Committee (made up of one representative from each of the five regions), who will make award decisions
- NOC President will notify applicants of award decisions no later than August 1, 2020
