Awards and Trophies National Championship Stake

1. TO THE WINNER:

- a. The title of "National Springer Spaniel Field Champion."
- b. The title of "Field Champion."
- c. The Field and Stream Sterling Silver Challenge Trophy.
- d. The Sterling Silver Prescott Challenge Trophy.
- e. The Trophy for permanent possession.
- f. The Sterling Silver Saighton's Sizzler Challenge Trophy donated by John M. Olin.
- g. The Evelyn Monte Memorial Trophy presented by the Ladies Spaniel Field Trial Club of Greater Newark and Friends of Evelyn Monte to the First Place Dog and Owner. This is a perpetual trophy to be awarded annually at the National Open Championship.
- The Talbot Radcliffe Sterling Silver Cup. A perpetual trophy to be awarded annually to the breeder of the winning dog.
- i. Special A.K.C. Rosette with Medal.
- j. Pro Plan Medallion Plaque.

2. FOR SECOND, THIRD AND FOURTH PLACE WINNERS:

- a. Trophies for permanent possession.
- b. Special A.K.C. Rosettes with Medals.
- c. Pro Plan Medallion Plaque.
- 3. FOR THE BEST PERFORMANCE BY A DOG HANDLED BY AN AMATEUR, PROVIDED THE DOG COMPLETES ALL SERIES OF THE TRIAL:
 - a. Trophy for permanent possession.
 - b. Special A.K.C. Rosette with Medal.
 - c. The Dansmirth Trophy. Given to the handler of top amateur handled dog and to be won three (3) times to be retired.
- 4. THE WILLIAM E. & PATRICIA K. LANE MEMORIAL TROPHY (silver) presented by the Southern Michigan Springer Spaniel Training Club, Inc., is to be awarded to the best amateur handler in the National Championship. To qualify the amateur handler must place first, second, third, fourth or be awarded a certificate of merit. This is to be a perpetual trophy with no permanent possession. Each year the name of the winning handler and date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.
- GUNNER'S TROPHY FOR THE DOG, IN THE JUDGEMENT OF THE GUNNER'S "They would most like to hunt over." DONATED BY SPANIELS IN THE FIELD.

GARY RIDDLE

I purchased my first Springer at the ripe old age of 11 and that fall we began the pursuit of our feathered friends. I would get up every Saturday during pheasant and duck season and my father would drive me about 20 miles and drop me off early; then he would return to work. I would then hunt pheasants, ducks and quail on the river bottoms for seven miles, to the next town, and my mother would pick me up in the afternoon. During these hunts and those that followed, my appreciation for our four footed friends has increased to admiration.

During my 11 years of trialing, I have completed four championships with two different dogs. I have enjoyed every minute I have been able to devote to this breed. I enjoy the trial, love to train, and anticipate the hunt, whether it be for pheasant, duck, quail, chuckar, or grouse.

I am married to Diane and have four children, Tiffany, Joshua, Ryan and Amy. One of the greatest thrills I have enjoyed is the ability to work the dogs with my boys. Josh, at nine, handled his dog in his first trial this spring. For all of you with butterflies, I was more nervous watching Joshua than I ever was as a handler.

Good luck to all. I consider it a privilege to be able to assess your dogs.

KERMIT GILLUND

I got started in the Springer game when we purchased a springer pup for our son's fifth birthday in 1966. I joined the Minnesota English Springer Spaniel Club in 1969 and started running in club trials. My first trial dog was Alcove's Merry Kay. I won the shooting dog stake with her and was hooked on trialing. Since then I have had many trial dogs. Joysam's Crown Royal (Rascal) made both his AFC and FC before being retired. At present I am running AFC/FC Sylker's Jake (Jake).

I began judging trials in 1974. In addition to competing and judging I have enjoyed meeting all the great trial people in the U.S. and Canada.

I am looking forward to the honor bestowed on me of being selected to judge the 1995 National Open. I want to wish all the participants GOOD LUCK.

Standard Procedure for Spaniel Field Trials

- 1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.
- 2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.
- 3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.
- 4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.
- 5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.
- 6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.
- 7. In judging a Spaniel's work Judges should give attention to the following points, taking them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions. Scenting ability and use of wind.

Manner of covering ground and briskness of questing. Perseverance and courage in facing cover. Steadiness to flush, shot and command. Aptitude in marking fall of game, and ability to find it. Ability and willingness to take hand signal. Promptness and style of retrieve and delivery. Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

- 8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.
- 9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.
- 10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No. 5, No. 6, No. 7 or No. 7-1/2 shot.

Brown
This dog was also the recipient of the
Best Dog Handled by an Amateur Award

3rd — FC Bing of Roe Owned by Joseph C. Quirk Handled by Lawrence McQueen

NFC Russett of Middle Field

A Short History of this Trial

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed. Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National field trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National Field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several by-products of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendence. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the repsonsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

Springer Spaniel National Open Championship 1995 RUNNING ORDER

1. KINGSLAND'S CRICKET

1974	Saighton's Ty-Gwyn Slicker	John & Phyllis Buoy
1976	Saighton's Ty-Gwyn Slicker	John & Phyllis Buoy

Thank you for your support and for making it possible to have all the Past National Champions pictured in this year's catalog.

This trial is held under the rules of the American Kennel Club.

1991 National Amateur Field Champion Jake's Son Of A Gun Runner

1992 Top Shooting Dogi Champion Fair Play

1991 High Point Derby Dog Vinwoods Takes A Lickin "Timex"

IF YOU'RE GOING TO HUNT WITH THIS

The first time you see Ferrier's Troublemaker heading hard and fast to the front to pin a bird straight down a 50-foot levy, you know Rex had a plan.

The moment you learn Fair Play won the Top Shooting Dog Award in just half a season, against competition that would make some people give up before they ever started, you know Harold and Sherry had a plan.

And when you hear the likes of perennial champion handler Danny Farmer wistfully declare that there'll never be another dog like Timex, you know he had a plan. A plan that paid off in ways even he had never imagined.

One look at the dogs and titles of all these hunters and you know they all had a plan. One that included years of breeding. Training, lots of it. Patience. Luck.

1992 Tennessee Open Shooting Dog Champion Destinare

1992 ABHA American Open Walking Shooting Dog Champion Ferrier's Troublemaker

1991 High Point Combination Open and Amateur All-Age Dog FC/AFC/CFC Raintree's Sassy Lady

And the unsurpassed nutrition of ProPlan brand dog

Lost look at a bag of ProPlan Performance Formula

next trip to the feed store. You'll see chicken, right

the top of the ingredients list. Real chicken.

the chicken and the corn and the brewers rice and

thing else that help give ProPlan its important fats,

carbohydrates, vitamins, and minerals.

Everything that research, and common sense, tells us a hard-working field dog needs. It just goes to show

you that to gain the lofty status of these hunters and their dogs, their plans didn't have to include any unusual decisions.

Just all the right ones.

PERFORMANCE. IT'S ALL PART OF THE PLAN.

We're As Serious About Our Collars As You Are Your Training.

Shown Model FS-500

Sure, the Free Spirit has the smallest and lightest collar receiver in the world, but there's more. It starts with the latest electronics totally encased in a tough thermoplastic housing, then we've potted it solid making the Free Spirit tough, dependable and waterproof. There are no switches, knobs or modules to break or lose. Even the on/off switch is internal.

The innovation continues with models that range of up to a mile, programmable warning tones, seven different levels of stimulation and stimulation boosters controlled by the transmitter that will fit in the palm of your hand.
