PAUL McGAGH

I grew up in Northern England where my Mum & Dad were in the pub trade. Ours was a workingman's pub. Most of the customers were coal miners or retired from the mines. The miners embodied a tradition of owning hunting dogs, almost always lurchers of terriers, which they used to poach rabbits and hares off of local farmland and shooting estates.

These men and their dogs were colorful characters and I loved to spend all my spare time with them, I am sure to their great annoyance. the old timers could vividly recall the days of war rationing where the difference between a good rabbit dog and a mediocre one was having meat on the table or going without. Not surprisingly, my first dogs were a lurcher and a Border terrier.

When I was fourteen and through the help of our neighbor and good friend Pete Hall, I acquired a well-bred Springer Spaniel pup I named Kim. My reason for wanting a spaniel was to gain access to being on a local shoot. This, in turn, might earn an introduction to get permission to hunt rabbits. Kim turned into much more than a gateway to legitimate rabbit hunting. She was a conduit to a whole new world for me, both literally and figuratively. I have never been without a spaniel since.

I have been very active in Cocker trials since their resurgence in 1993. However, Vicky and I have had a great time over the past few years competing in Springer trials, particularly on the West Coast. We have made many new friends through these wonderful dogs.

It is an honor to judge the 2006 Open National with Tom Meyers and I wish all the competitors the **Best of Luck**.

TOM MEYER

When asked to submit a Biography for the catalog, I looked at the calendar and realized this is my thirty-second year of involvement in field trials. Some things have changed, with many more attempts for change, but the dogs are asked to do the same basic tasks; find'em, flush'em and bring'em back. It's just that some of them do it better than others. I have had a few that have done quite well in that aspect and in turn have made me look good.

I feel fortunate to have had a good dog at the start and the opportunity to train with many of the "old timers" of the various clubs. My actual involvement began when my son (John) bought his first Springer when he was eleven and we had no idea what to do, his Grandfather lived across the road from the Minnesota clubs training field and the rest is history. We both continue to be involved with the dogs locally and on an occasion Nationally.

There have been many friendships, hundreds of training sessions, hundreds of trials, thousands of miles and a million mernories; to many to put to paper. Someday I may list a few, but for now they just keep coming!!!

Best of luck to all the competitors!

Tom Meyer

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

- 1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.
- 2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.
- 3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

- 4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.
- 5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.
- 6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.
- 7. In judging a Spaniel's work Judges should give attention to the following points, taking them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.
Steadiness to flush, shot and command.
Aptitude in marking fall of game, and ability to find it.
Ability and willingness to take hand signal.
Promptness and style of retrieve and delivery.
Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Wate: Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

- 9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.
- 10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7-112 shot.

BLAZE ORANGE IS REQUIRED IN THE FIELD.

A SHORT HISTORY OF THIS TRIAL

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed. Much correspondence now molding in dusty file cabinets provided a factural and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National field trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several byproducts of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

AWARDS AND TROPHIES NATIONAL CHAMPIONSHIP STAKE

1. TO THE WINNER:

- a. The title of "National Springer Spaniel Field Champion".
- b. The title of "Field Champion".
- c. The Field and Stream Sterling Silver Challenge Trophy.
- d. The Sterling Silver Prescott Challenge Trophy.
- e. The Trophy for permanent possession.
- f. The Sterling Silver Saighton's Sizzler Challenge Trophy donatedby John M. Olin.
- g. The Evelyn Monte Memorial Trophy presented by the Ladies Spaniel Field Trial Club of Greater Newark and Friends of Evelyn Monte to the First Place Dog and Owner. This is a perpetual trophy to be awarded annually at the National Open Championship.
- h. The Talbot Radcliffe Sterling Silver Cup. A perpetual trophy to be awarded annually to the breeder of the winning dog.
- i. Special A.K.C. Rosette with Medal.

2. FOR SECOND, THIRD AND FOURTH PLACE WINNERS:

- a. Trophies for permanent possession.
- b. Special A.K.C. Rosettes with Medals.
- FOR THE BEST PERFORMANCE BY A DOG HANDLED BY AN AMATEUR, PROVIDED THE DOG COMPLETES ALL SERIES OF THE TRIAL:
 - a. Special A.K.C. Rosette with Medal.
 - The Dansmirth Trophy. Given to the handler of top amateur handled dog and to be won three (3) times to be retired.
- 4. THE WILLIAM E. & PATRICIA K. LANE MEMORIAL TROPHY (silver) presented by the Southern Michigan Springer Spaniel Training Club, Inc., is to be awarded to the best amateur handler in the National Championship. To qualify the amateur handler must place first, second, third, fourth or be awarded a certificate of merit. This is to be a perpetual trophy with no permanent possession. Each year the name of the winning handler and a date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.
- 5. GUNNER'S TROPHY FOR THE DOG, IN THE JUDGEMENT OF THE GUNNER'S "They would most like to hunt over". DONATED BY essft.com.

CONGRATULATES

the 2006 Qualifiers to the

NATIONAL OPEN CHAMPIONSHIPS!

A Note from Kim Kuhlman Photography

Dear National Participants,

First, congratulations on getting here! The National Championship and Kim Kuhlman photography will provide you a free 5"x7" portrait for each participating dog. We will only be taking portraits during the Training Day and the first two days of the trial, so that we can get you the prints before you leave. Details on the location for training day portraits and water entry pictures will be posted at the training site and at the hotel.

If you did not receive your portrait from last year's National Field Trials, please see Kim Kuhlman as early as possible so that we can get this to you before you leave as well. We sincerely apologize for any missed portraits last year. This year's restriction of portrait days is due to our not being able to get all the portraits done while also taking pictures through the final day of the trial.

8220 North County Road M Evansville, WI 53536 www.kimkuhlman.com Thanks for your understanding and

GOOD LUCK!!

Kim Kuhlman
