2017 Judge John Hall

I've had the pleasure of training Springer Spaniels for nearly 3 decades now.

I acquired my first dog from Dan Langhans. Dan would go on to become my mentor and best friend. It was through his guidance that I have had the good fortune to compete with some fine dogs.

I have owned only a handful of dogs. Of those dogs, four have gone on to place in nationals, both open and amateur. Two of them have won Nationals. I know the thrill of winning and the disappointment when things go wrong. I also know the dedication it takes to compete at this level. It's a joy for me to witness the teamwork between a competitor and their dog.

I enjoy all aspects of the sport and I am honored to have been chosen to judge the 2017 National Amateur Championship.

I wish the best of luck to all.

— *John Hall*

2017 Tom Menzel

It was 1988 when I got my first competitive field bred Springer from Bob & Geri Sommer and was introduced to the members of what is now the Southern Wisconsin Sporting Spaniel Club. A couple of years later, under their direction, support, and encouragement, I entered my first field trial with my young dog. Little did I know, it would become a life changing event.

Now, some 25+ years later, I look back on the opportunities afforded me, not only to trial some pretty competitive dogs, but the pleasure to judge some truly great dogs as well. This, along with the numerous friendships developed throughout the years, have made this time in the field, truly memorable.

Time spent has taught me that these dogs we all have a passion for, are capable of doing amazing things if given the opportunity, and if totally prepared to handle all situations, usually do pretty well in this game we play.

I am honored to have been selected by my peers for the opportunity to once again judge the National Amateur Championship; and realize the effort, skill and good fortune it takes to complete all series of this competition. May the wind be with all those who have entered this prestigious event. God Bless.

—Tom Menzel

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

Sunrise Morning Star

March 10, 2004 -

September 7, 2017

Star came into our lives as
a puppy and became a gift
of life lessons.

Sunrise Morning Star

Today my Star has set.

No more to rise again

Except in memories so sweet

And fine and hard and blue.

She stole my heart when first we met.

No word of stain, not now, not then

Will rob from me that wondrous treat

Of spaniel eyes, so warm, so true.

My Star will light my path no more.

Yet every day I'll feel her love

Until we meet on heaven's shore.

—Joe McGuill

Tracie and I have owned some amazing dogs but Star was exceptional. After a trailer accident left her paralyzed she never gave up. Not only did she walk again she went on to compete in trials, winning both the open and amateur. As difficult as it was, later in life, we rehomed Star with a retired couple. We had several dogs so Joe and JoAnn were able to give her the attention she deserved. This touching poem is from Joe. —Jayne Reinhart & Tracie Wilson
