2017 Chad Betts

I was born in Western Minnesota in 1957. My parents moved to Wichita, Ks in the mid 60s. Dad was an avid hunter, so I was brought up hunting. My Dad mostly hunted quail with Brittanies. When I was 19 years old I acquired a Springer pup from Cliff Hankins, who had the Burcliff line. Cliff got me in to trials, and we use to travel all over the Central US running dogs.

My first Springer, Burcliff's Cheyenne, won her second puppy stake at the Houston trial in January of 1979. This was a 21 dog stake. That trial had something to do with getting me hooked but I also like the people associated with the Springers and that's what kept me in it for so long.

I also have hunted and trialed pointing dogs. I've trained 2 English Setters and 2 English Pointers that have won Championships. In Springers, it seems I train one or two of these dogs to Champions every 10 years or so. I have also been active in the hunt test program and have trained several master hunters.

I have done a lot of hunting in my life with dogs, mostly in Kansas for pheasant, quail, ducks, doves, prairie chickens. I have also hunted the Dakotas and Montana for Sharptail grouse, Minnesota and Michigan for Ruffed grouse and Texas for quail. I bring a vast amount of experience with dogs to help me judge the dogs in the National Open. (I just hope it doesn't rain the entire time). I am very honored to have been selected for this job. I have finished dogs in Nationals 5 times, with one award of merit for FC Strongs Windrift Rex MH. I know the work that goes into it and the luck and skill involved. There will only be one national champion, but I know all the dogs there are already winners. So, have a good time !

— Chad Betts

2017 Judge Skip Smith

Kathy and I started our lives together with springers about 40 years ago in eastern Oregon. Along the way, we spent our honeymoon hunting chukar in the Alvord Desert living in the back of a pick-up truck with 7 spaniels. In the early years, we hunted chukar, pheasant and waterfowl with our springers in the Northwest. Later, our careers brought us to Colorado, and our time with springers was spent hunting pheasants in CRP fields on the plains. In the early 90's, we started field trialing and have never looked back. Now we live on a small farm in eastern Colorado. We have a bigger pick-up truck, a dog trailer, a kennel, - but the essentials have stayed the same and today we travel with 8 springers. Living with springers is a huge part of our lives – I recently retired from a 35-year career as a professor and administrator, which lets me spend a lot more time with our dogs.

I participate in all aspects of our sport and continually try to learn more about our dogs and how to train and run them. I train dogs from puppies to finish, shoot trials, run in field trials, and put on field trials. I have had the great fortune to train and run some wonderful dogs over the years. You can't be successful in our sport without a lot of help – I have been fortunate to be able to train dogs with some great people around the country and had good friends to work with at home.

I have titled several dogs in the amateur and open, finished several dogs in amateur and open nationals, and ran the high point amateur dog, Zach, in 2015. I have judged trials for over 15 years and always enjoy the opportunity to see great dog work in all sorts of conditions. I come home with a better appreciation of our dogs and all that they can do.

I appreciate your confidence in me and look forward to judging the 2017 National Open Championship Field Trial. I expect to see a lot of great dog work and am excited to be judging with Chad. Good luck to everyone!

—Skip Smith

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

A SHORT HISTORY OF THIS TRIAL

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed.

Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National field trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several byproducts of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

Each year the name of the winning handler and a date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.

GUNNER’S TROPHY FOR THE DOG

IN THE JUDGEMENT OF THE GUNNER’S “They would most like to hunt over”. DONATED BY essft.com.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

We miss you, our friend!—Ron & Barb

Since you left us, Tom and I have teed up every ball in the rough and we still can't break 80!—Donny

*The birds feel a lot safer without your gun in the field.....RIP, Pat.
—Ron & Cricket*

I know you are watching down over us, occasionally hollering "hup damn it"! Until we meet again Pat.—Jim

Pat, it was a great ride but way too short. You are missed.—Dean

I still picture you at the picnic table checking out the sweets every morning when I get to training. Thanks for all your help and fun times at trials and training. — Sue

Your determination to remain field chair of the 2014 NAC despite serious health issues was just one more example of how much you loved this sport. We miss your dedication and friendship.—George & Arlene

I miss our steadiness bets....

but not the fact that you usually won!—Dan

Sunrise Morning Star

March 10, 2004 -

September 7, 2017

**Star came into our lives as
a puppy and became a gift
of life lessons.**

Sunrise Morning Star

Today my Star has set.

No more to rise again

Except in memories so sweet

And fine and hard and blue.

She stole my heart when first we met.

No word of stain, not now, not then

Will rob from me that wondrous treat

Of spaniel eyes, so warm, so true.

My Star will light my path no more.

Yet every day I'll feel her love

Until we meet on heaven's shore.

—Joe McGuill

Tracie and I have owned some amazing dogs but Star was exceptional. After a trailer accident left her paralyzed she never gave up. Not only did she walk again she went on to compete in trials, winning both the open and amateur. As difficult as it was, later in life, we rehomed Star with a retired couple. We had several dogs so Joe and JoAnn were able to give her the attention she deserved. This touching poem is from Joe. —Jayne Reinhart & Tracie Wilson
