2018 Judge Ralph Botti

Although 40 years have passed since the day that my dad and I had our first hunting trip, I still remember it as if it were yesterday. Even though we didn't have a hunting dog ourselves, we created many fond memories which I still hold very dear to heart. Through these hunting trips shooting upland birds with my dad, my interest to hunt over a spaniel was sparked.

It wasn't until the mid-70's that I was finally given the opportunity to hunt over a Spaniel. He wasn't very well trained but he sure had a knack for finding birds. It was at this point that I realized that I needed to get a Springer for myself. Shortly after, I purchased my first Springer, Beau, from Mrs. Ruth Greening, owner of Ru-Char Kennels. Ruth helped me train Beau along with Gary Wilson. I placed Beau in a few trial before finally realizing he lacked the necessary speed and style of a competitive field trial dog. I purchased my next dog from Gary Wilson (FC/AFC/CFC Ru-Chars Quick Shot). During this time I also had the privilege of running a bunch of Ruthie's dogs, FC/AFC Ru-Chars Roger Jr., FC/AFC/CFC Ru-Chars Rise & Shine & AFC/CFC Ru-Chars Autumn Mist. I will be forever grateful for the help of Ruth Greening for the countless hours that she spent coaching and educating me for years.

My next Springer was purchased from Mike Wallace in 1991, NAFC/FC Salmy's Millie of Ru-Char, winner of the 1994 National Amateur Championship. I retired her in 1995 when I decided to turn pro.

I am currently President of the New Jersey Spaniel Field Trial Club, one of the oldest Spaniel clubs in the country. The club plans in the near future having cocker trials in addition to our Spaniel trials.

I now reside in Blairstown, NJ, own, and operate Triple Ridge Sporting Spaniels along with my wife of 36 years, Sue, son Mark and daughter Meg and a kennel full of Springers, Cocker and Labs.

These dogs have always been a significant part of my life. I am a dedicated Spaniel lover in every sense imaginable. I have been privileged to have judged two Open, two Amateur English Springer Nationals and one Cocker National. It is a honor and privilege to be judging this year's National Amateur Championship, where I will have the best seat watching the greatest Springers in the world. Best of luck to all competitors!

—Ralph Botti

2018 Judge Mhari Peschel

My husband and I got our first springer spaniel in 1992. We had enjoyed hunting over spaniels at a local hunt club in Colorado so when we had an opportunity to buy a field bred spaniel pup we didn't hesitate. We joined a local spaniel club with a wonderful training group that was instrumental in guiding us in the right direction. We started entering hunt tests and about a year after that started competing in field trials. The spaniel "hobby" has turned into a passion and has taken us across the country to compete with our dogs. This also afforded us the opportunity to meet so many special people with that same passion. Our household has been blessed with some wonderful dogs, many who became champions and some that didn't but they have all been devoted companions. Our family currently includes fifteen springers and a special cocker.

I began judging field trials in 2001 and have judged across the United States as well as in Canada. I believe that I am a very positive judge and I am always rooting for the dog to succeed. I am constantly impressed with the abilities that our spaniels demonstrate in the field whether it be making a difficult retrieve look easy, trailing a bird through broken cover or using the wind perfectly to find and flush game. The opportunity to have a front row seat watching the finest dogs in the country is a dream come true for me.

I feel very fortunate to be judging this prestigious event with my friend Ralph Botti. We met fifteen years ago when I came back east to buy a dog from him. We have always thought that it would be wonderful to judge a trial together- what a treat for it to be a National Championship.

I wish all of the participants the best of luck and look forward to watching the spaniels do what they do so well and with such enthusiasm. I know the dedication, hard work and special bond between a dog and its handler that is necessary to compete at this level. May every dog have great opportunities to show their natural ability and to find'em, flush'em and retrieve'em.

I am honored to have been selected to judge this years National Championship.

— Mhari Peschel

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

2019 NOC SCHOLARSHIP PROGRAM

The ESSFTA NOC will award up to three educational scholarships in 2018 to help English Springer Spaniel Field Trialers, their children and grandchildren with the costs associated with higher education.

Purpose

- Assist English Springer Spaniel Field Trialers and/or their children or grandchildren with costs associated with their higher education by granting 1-3 education scholarships/year in the amount of \$500.00 each

Eligibility Criteria

- Student, or their parent or grandparent participated in ESS Field Trials (e.g., as competitor, gunner, planter, field trial chair, or field trial secretary) or served as a club officer in an AKC recognized ESS club, as an inter-club chair, or a NOC officer within the past 3 years
- Student is enrolled full time in an accredited community college, college, or university and is pursuing a postsecondary degree (associate, baccalaureate or post-baccalaureate) or certificate, or is enrolled in an apprenticeship program and pursuing trade certification or licensing
- Student displays evidence of leadership, engages in volunteer activities, and exhibits potential for a successful career
- Student has a demonstrated financial need

Process

- Applications must be submitted no later than June 1, 2018
- Applications will be reviewed by the Scholarship Review Committee (made up of one representative from each of the five regions), who will make award decisions
- NOC President will notify applicants of award decisions no later than August 1, 2018
