# 2019 Judge Dan Lussen

I grew up with Labrador Retrievers. As I got older, I started hunting with my father. I bought my first Springer Spaniel when I was fifteen years old. In 1973, I met John Mangine and Ed and Esther Faraci. I ran my first Amateur National in 1976. That's the year that John Mangine won the Amateur National with Coginchaug Shine. I trained with Ed and Esther along with John for quite some time.

I also met Ray "Jerry" Cacchio back in the 70's. In 1998, Jerry gave me the opportunity to run Pondview Kennels. That is where I grew as a trainer, as we trained many gun dogs. I thank you, Jerry. I have had the pleasure of competing with many quality Springers to their Field Championships, and I currently compete with my own Springer, FC Pond View II's Secret Agent ("JB").

I have judged many Springer and Cocker trials, including the 1996 National Amateur, the 1997 and 2013 National Open, the 2015 Cocker National and the 2018 Canadian National Amateur.

I also want to thank my better half Elisabeth for the support she has given me. I want to thank my peers for the opportunity to judge the 2019 Open National. I look forward to seeing you on the line.

Best of luck to all competitors.

— Dan Lussen

# 2019 Judge Gary R. Riddle

“In a more perfect manner.” What a brilliant statement by the founders of our sport and so insightful to our future. I have had the privilege to participate in a more perfect manner both as a participant and as a Judge. It is an honor and privilege to be allowed to judge the 2019 National Open. I want to wish all the participants good luck and most of all please enjoy being here at this event with your dogs. Having the opportunity to compete in an event like this that exhibits some of the best dogs in the world is an honor and a privilege. I would also like to thank all those that have worked so tirelessly to put on this event, this is truly a huge undertaking.

I have been involved with hunting from my earliest memories, hunting with English Springer Spaniels for over 45 years. I have hunted pheasants in slews, CRP fields, sage brush and anywhere else I could find them. I have chased grouse in aspens at over 9,000 foot elevations. I have hunted waterfowl when a wiser man would have stayed by the fireplace. All of these pursuits with a fine Springer Spaniel. Now I get to do it with my Son and Grandchildren. Could it get any better?

I live in Mendon, Utah with my wife Diane. Recently we moved to Mendon to be closer to our Children and Grandchildren. I have 4 Children Tiffany, Joshua (Rebecca), Ryan (Shelby) and Amy (Winston). I have 9 grandchildren with the 10th on the way.

English Springer Spaniels have been a big part of my life for the last 45 years and I have been able to learn and grow as an owner, and as a trainer.

— Gary Riddle

# STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking

them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

*Control at all times, and under all conditions.*

*Scenting ability and use of wind.*

*Manner of covering ground and briskness of questing.*

*Perseverance and courage in facing cover.*

*Steadiness to flush, shot and command.*

*Aptitude in marking fall of game, and ability to find it.*

*Ability and willingness to take hand signal.*

*Promptness and style of retrieve and delivery.*

*Proof of tender mouth.*

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

# A SHORT HISTORY OF THIS TRIAL

*By C. S. Goodall*

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed.

Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National Field Trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National Field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several byproducts of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

# AWARDS & TROPHIES

## NATIONAL CHAMPIONSHIP STAKE

### TO THE WINNER

- The title of “National Springer Spaniel Field Champion”.
- The title of “Field Champion”.
- The Field and Stream Sterling Silver Challenge Trophy.
- The Sterling Silver Prescott Challenge Trophy.
- The Trophy for permanent possession.
- The Sterling Silver Saughton’s Sizzler Challenge Trophy donated by John M. Olin.
- The Evelyn Monte Memorial Trophy presented by the Ladies Spaniel Field Trial Club of Greater New York and Friends of Evelyn Monte to the First Place Dog and Owner. This is a perpetual trophy to be awarded annually at the National Open Championship.
- The Talbot Radcliffe Sterling Silver Cup. A perpetual trophy to be awarded annually to the breeder of the winning dog.
- Special A.K.C. Rosette with Medal.

### FOR SECOND, THIRD AND FOURTH PLACE WINNERS

- Trophies for permanent possession.
- Special A.K.C. Rosettes with Medals.

### FOR THE BEST PERFORMANCE BY A DOG HANDLED BY AN AMATEUR, PROVIDED THE DOG COMPLETES ALL SERIES OF THE TRIAL

- Special A.K.C. Rosette with Medal.
- The English Wildflower “Heather” Challenge Trophy. Given to the handler of top amateur handled dog. Retired in 2016 by Jeff Miller and redonated as a perpetual trophy.

### THE WILLIAM E. & PATRICIA K. LANE MEMORIAL TROPHY (silver)

Presented by the Southern Michigan Springer Spaniel Training Club, Inc., is to be awarded to the best amateur handler in the National Championship. To qualify the amateur handler must place first, second, third, fourth or be awarded a certificate of merit. This is to be a perpetual trophy with no permanent possession. Each year the name of the winning handler and a date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.

### GUNNER’S TROPHY FOR THE DOG

IN THE JUDGEMENT OF THE GUNNER’S “They would most like to hunt over”. DONATED BY [essft.com](http://essft.com).

# DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

*Do you have a  
better photo of some  
of the dogs in this  
catalog?*

*The catalog team is always  
looking to replace  
some of the past champion  
photos that have lost quality  
as the file moved from  
printer to printer.*

*Please contact the national  
trial secretary for  
information on where to send  
any new versions of the old  
photos.*

*Thanks!*

## 2020 NOC SCHOLARSHIP PROGRAM

The ESSFTA NOC will award up to three educational scholarships in 2020 to help English Springer Spaniel Field Trialers, their children and grandchildren with the costs associated with higher education.

### Purpose

- Assist English Springer Spaniel Field Trialers and/or their children or grandchildren with costs associated with their higher education by granting 1-3 education scholarships/year in the amount of \$500.00 each

### Eligibility Criteria

- Student, or their parent or grandparent participated in ESS Field Trials (e.g., as competitor, gunner, planter, field trial chair, or field trial secretary) or served as a club officer in an AKC recognized ESS club , as an inter-club chair, or a NOC officer within the past 3 years
- Student is enrolled full time in an accredited community college, college, or university and is pursuing a postsecondary degree (associate, baccalaureate or post-baccalaureate) or certificate, or is enrolled in an apprenticeship program and pursuing trade certification or licensing
- Student displays evidence of leadership, engages in volunteer activities, and exhibits potential for a successful career
- Student has a demonstrated financial need

### Process

- Applications must be submitted no later than June 1, 2020
- Applications will be reviewed by the Scholarship Review Committee (made up of one representative from each of the five regions), who will make award decisions
- NOC President will notify applicants of award decisions no later than August 1, 2020

# We Need Your Help!

any ESSs (type, with/without registration, with/without known clinical/genetic status) are welcome to participate

The English Springer Spaniel Foundation Board has enthusiastically committed the largest single grant in its history to take PRA research forward on behalf of all English Springer Spaniels. This project is undertaken as a partnership between the Springer Foundation and the AKC Canine Health Foundation. A grant of \$108,498 has been awarded to Keiko Miyadera, DVM/Ph.D, at the University of Pennsylvania. Without generous and continuing donations from the English Springer Spaniel community and the collaborative support of the Canine Health Foundation, this grant would not have been possible.

## What We Need From You

Dr. Miyadera will be attending ESS events to conduct eye exams - please bring your dogs to be examined.

If you have a dog that has tested as affected and have blood banked at the University of Missouri, please reach out to Dr. Miyadera with that information.

If you have a dog that has developed PRA, please reach out to Dr. Miyadera to find out how you can participate in the study.

QUESTIONS? contact Dr. Miyadera [kmiya@upenn.edu](mailto:kmiya@upenn.edu)

### Background Information

A mutation in the gene *RPGRIPI* has previously been associated with PRA, a blinding retinal disease in dogs. This mutation runs in the ESSs and a DNA test has been made available for over a decade. However, the number of cases that are diagnosed with PRA is much lower than expected from the mutation frequency. The study aims to clarify the relationship between the DNA test and the dog's retina and vision. It is suspected that more than one genetic factor is involved in causing PRA in ESSs. Our goal is to establish a reliable set of DNA tests that can better predict the course of PRA in ESSs.

Here is a form for participation. If available, please supply copies of any historical eye exam reports and a copy of your dog's registration (if applicable).

# FIOCCHI

THE MOST TRUSTED NAME IN THE FIELD

In many parts of the country Pheasant hunting is not only a family tradition, but a rite of passage as well. Through much of the country, this exciting brand of hunting offers a chance to get out in the field and make lasting memories with friends and family alike. The Fiocchi family has spent countless hours in the field creating memories such as these, and even more time developing the loads your friends and family can count on when creating your own memories. When you pack up your loved ones, grandpa's shotgun and your dog for the next trip, be sure you pack Fiocchi of America's Golden Pheasant loads as well!

The clean burning powder loaded in Fiocchi shotshells is sure to deliver reliable performance time and time again. The treated steel lead shot increases surface hardness, allowing the pellets to stay rounder, fly truer at longer ranges and penetrate deeper. Fiocchi's superior engineering ensures these shells are easy on your gun and sure to drop your bird in flight!
