### **NFC/FC/AFC Wind Riding Streak**

NFC/FC/AFC Wind Riding Streak is owned by Drs. Mark and Aileen Schinderle. Streak was purchased by Mark as a surprise birthday gift for Aileen at six weeks of age. A constant well-mannered house dog, Streak was an extremely easy and quick dog to ready for field trials.

She qualified for her first National at sixteen months of age. Two years later, in 1982, she won the National Open Championship, rewon the title in 1984 and placed second in the National Amateur Championship. She has an unending desire for questing game under any circumstances. This is equalled by her desire to please her handlers. Streak is handled by both Mark and Aileen successfully.

The Schinderle's address in Windy Acres Kennel, Forest Drive, Norway, Michigan 49870 (906-563-9816).

---

## Standard Procedure for Spaniel Field Trials

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.
  2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.
  3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.
  4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.
  5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.
  6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.
  7. In judging a Spaniel's work Judges should give attention to the following points, taking them as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.
    - Control at all times, and under all conditions.
    - Scenting ability and use of wind.
-

---

Manner of covering ground and briskness of questing.  
Perseverance and courage in facing cover.  
Steadiness to flush, shot and command.  
Aptitude in marking fall of game, and ability to find it.  
Ability and willingness to take hand signal.  
Promptness and style of retrieve and delivery.  
Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No. 5, No. 6, No. 7 or No. 7-1/2 shot.

## **Awards and Trophies National Championship Stake**

1. TO THE WINNER:
  - a. The title of "National Springer Spaniel Field Champion, 1984.
  - b. The title of "Field Champion."
  - c. The Field and Stream Sterling Silver Challenge Trophy.
  - d. The Sterling Silver Prescott Challenge Trophy.
  - e. The Trophy for permanent possession.
  - f. The Sterling Silver Saighton's Sizzler Challenge Trophy donated by John M. Olin.
  - g. The Talbot Radcliffe Sterling Silver Cup. A perpetual trophy to be awarded annually to the breeder of the winning dog.
  - h. Special A.K.C. Rosette with Medal.
  - i. Science Diet Medallion Placque.
  
2. FOR SECOND, THIRD AND FOURTH PLACE WINNERS:
  - a. Trophies for permanent possession.
  - b. Special A.K.C. Rosettes with Medals.
  - c. Science Diet Medallion Placque.
  
3. FOR THE BEST PERFORMANCE BY A DOG HANDLED BY AN AMATEUR, PROVIDED THE DOG COMPLETES ALL SERIES OF THE TRIAL:
  - a. Trophy for permanent possession.
  - b. Special A.K.C. Rosette with Medal.
  - c. The Dansmirth Trophy. Given to the handler of top amateur handled dog and to be won three (3) times to be retired.
  
4. 1985 GUNNER'S TROPHY FOR THE DOG, IN THE JUDGEMENT OF THE GUNNER'S "They would most like to hunt over". DONATED, BY ON THE LINE.

---

## The Amateur Judges

### **Kermit Gillund**

I got started in the Springer game when we purchased a Springer pup from Art Welch, one of the charter members of the Minnesota English Spaniel Club. Art told me about the club trials and helped me get started training Spaniels

My first trial dog was Alcove's Merry Kay, which I purchased at the age of 2 years. I ran her in a club trial and won the shooting dog stake. From that time on I was hooked on trials.

I purchased our second trial dog, Buddy, from Bob Archer in Oregon. Buddy placed in several licensed trials but fell a couple points short of completing his Amateur Field Championship. After retiring Buddy, I had the opportunity to purchase Joysam's Crown Royal (RASCAL) from Dean Reinke. Rascal and I hit it off as a team right from the start. He placed in five trials in 1982, our first year of competition. Rascal completed his Amateur Field Championship and at this writing needs two points for his Field Championship.

I began judging licensed field trials in 1974 and have judged many trials since. I enjoy each judging assignment. I am looking forward to the honor, bestowed on me, of being selected to judge the 1985 National Open.

In addition to competing and judging trials, I have enjoyed meeting all the great trial people throughout the U.S. and Canada.

---

### **Donna Gipson**

My husband Cecil and I were introduced to the English Springer Spaniel on December 25, 1951. Don and Arvilla Shooter left a four month liver and white male puppy on our doorstep. We were hooked! It wasn't long until we were active in Club activities and attending the field trials as spectators.

In 1952 we started training and handling our own dogs.

FC Shooter's Lucky Headliner was our first competitive dog (ran in two National Open's). We've had several competitive Springers since then, FC Greenfair's Rockette, Just Dandee, Kirnloch Brora (English Import), and Somebody Special. All competed in National Open All-Age stakes except Just Dandee.

It was while I was running Dandee that I started Judging trials and minor stakes in the AKC licensed field trials; graduating to judge Open stakes while we were running Kirnloch Brora.

The last competitive dog I ran was Somebody Special. For eight years she and I had a "give and take" relationship that was fun and very rewarding. Running her through all five series in the National Open at Camden, Arkansas was my own personal high during my so called career of "training and handling Springer Spaniels."

## **A Short History of this Trial**

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed. Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National field trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National Field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several by-products of the event and their wholesome influence on the breed and sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance.

---

It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

Langhan's for their Cooperation  
& Effort in Compiling the  
Photos for the Past Trials.*

# WHAT GOES INTO A WINNER?

ALPO® Beef Chunks Dinner is the meal a champion deserves. Not only does it have the beef dogs love, it's nutritionally complete. For the puppy growth cycle, gestation, lactation and all the rest of a dog's long life, all ALPO premium canned varieties meet the standards of complete and balanced nutrition as set by the Association of American Feed Control Officials. In fact, at the ALPO Pet Center, there are six happy generations of dogs raised on ALPO alone who can prove how good it really is. No wonder ALPO is America's leading dog food. It has all the ingredients of a winner.

# — High Performance Dogs —

## High performance food

Hunting, showing and field trial all demand extra energy and top physical conditioning. That's why CANINE PERFORMANCE is scientifically formulated to give these dogs the extra energy they need to meet those demands.
