2024 Judge Chad Betts

I was born November 13, 1957 near the western border of Minnesota. Both my parents were raised in this area. My father did commercial pest control work. His employer moved our family to Wichita, Kansas in the early 60s. He started his own pest control company (Betts Pest Control Inc.) in 1972. I have helped my Dad in this business since I was 12 years old.

In 1996 my younger brother (Craig) and myself purchased this business upon my father's retirement. We sold the business in Dec. 2023. I continued to work there thru April of this year, when I retired from that.

My father was an upland bird hunter and kept Brittanies. His best buddies had bird dogs also. I started bird hunting with them when I was 12 years old.

My first springer spaniel, Burcliff's Cheyenne was purchased at 7 weeks old from Hall Of Famer "Cliff Hankins" in 1977. Cliff introduced me to Spaniel trials, and I ran the first trial with Cheyenne in 1978.

I have been a professional dog trainer for more than 30 years as a "sideline" business. I typically have 4-6 client dogs and 2-3 of my own dogs in training. I have trained several field champion springer spaniels, english pointers, english setters and brittanies. Also, several AKC Master Hunter Cockers and Springers.

I have judged more than 50 spaniel trials (including a previous National Amateur and a National Open) and several pointing dog trials.

I have been working out alot to keep up with my co-judge Dan Lussen. (Just kidding!) I hope everyone has a good time!

— Chad

I grew up surrounded by dogs, a formative experience that sparked a lifelong passion for field trials and dog training. At the age of 15, I began my journey with Springers, acquiring my first Springer puppy.

Throughout the 1970s and 1980s, I honed in on my skills alongside renowned trainers Eddie and Esther Faraci, Raymond “Jerry” Cacchio, as well as John Mangine. Fulfilling my aspirations, I became a full-time professional trainer in 1998 when I had the opportunity to join my mentor Jerry Cacchio at Pondview Kennels. This role has allowed me to further develop my expertise and contribute to the field. I would like to express my deepest gratitude to my mentors. Your invaluable guidance and endless encouragement have profoundly impacted me.

My judging experience spans several decades, beginning in the 1980s, with eight appointments at the Amateur National and Open National trials in various years, including 1996, 1997, 2013, 2015, 2019, and 2020, as well as 2018 Canadian Amateur Nationals, 2023 Canadian Open Nationals and most recently the 2024 Cocker Open National.

It's an honor to be selected by my peers as the judge of the 2024 Springer Amateur Nationals. Best of luck to all the competitors and dogs. I look forward to meeting you on the line.

— Dan Lussen

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking them

as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy has been offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

WOOT! WOOT!

Congratulations on qualifying for the 2024 Nationals. I feel very blessed to have this amazing opportunity to capture all the fantastic moments at this event. Come see me to have a complimentary portrait of your dog taken.

- For the best outcome have the portrait taken BEFORE you run your dog.
- Eye boogers and hanging tongues aren't a good look. Wipe any crud off their face and bring water for them.
- We want to get your dog's best side. Bring something, like a hat, to get your dog's attention if needed.

**GOOD LUCK! MAY THE WIND BE STRONG, THE BIRDS FLY
TRUE AND THE GUNNERS BE ACCURATE.**

In Memory of Our Friend Dave Karsten

March 29, 1956 ~ September 19, 2024

The Southern Wisconsin Sporting Spaniel Club lost a good friend and club member recently.

Dave was introduced to the world of trialing as a result of his friendship with his neighbor, Pat Hempel, and he joined our club in 2016. He eagerly embraced the club's twice weekly training sessions with his dog Ty; both were a quick study and he was soon competing and gunning in local trials.

Dave was the consummate hard worker, willing to pitch in no matter what the task. Whether it was repairing and maintaining the bird pens, building a better watering system or tidying up after a training session, you could count on Dave to shoulder much of the responsibility and with never a grumble. Despite the fact he did not have a dog qualified, he volunteered to work the 2019 NAC in Pinckneyville Illinois...and work he did, literally non-stop for the entire week!

Chip of Sunridge was added to the Karsten pack in 2021 and, not long afterward, Dave received his cancer diagnosis. In true Dave fashion, he referred to his illness matter-of-factly while carrying on training and helping out. In the fall of 2023, Chip won two trials back-to-back and then aced his water test just a few days prior to Dave's passing, giving Dave his first AFC.

In addition to finding enjoyment in training and trialing, Dave was an avid golfer and a shrewd sheepshead player. He loved spending time with his wife, Cyndi, their two daughters and his young grandson.

More than anything, Dave was truly one of the good ones; he will be greatly missed. We know if he were with us, he'd be at this National too, quietly lending a hand wherever it was needed.

In Memory
Marie Langhans
1929 to 2024

Marie Langhans was the other half of Dansmirth kennels. She and Dan were pillars of the sport. They, along with the Lorenz family, were leaders in the Central States Spaniel Club.

After decades of competing with and breeding numerous champions, Dan passed away. Two days before his passing Dan asked John Hall to help Marie carry on with their remaining dogs and he did. Dansmirth continued to be represented.

Marie was driven when it came to her dogs. The dogs were like her children. She loved and cared for them greatly. They truly were her family.

Marie will be missed by all that knew her.

Good Luck to All from the Central States ESS Club
