2025 Judge George Akkouris

I am truly humbled to be entrusted with the prestigious position of judge for the 2025 National Amateur Championship. With a lifelong passion for the sport, I began my journey in the springer game over 35 years ago, competing in my first trial at just 10 years old and earning a 3rd place finish at LASHA. Throughout my career, I've had the privilege of handling, gunning over and judging exceptional national-caliber dogs, learning from the best in our sport. I look forward to seeing great dog work and good luck to all!

-George Akkouris

2025 Judge Peter Andersen

I am very honored for the privilege to be judging the National Amateur Championship. Thank you. I am a retired Manufacturing Engineer, my wife (Mary) and I have two sons and four grandsons. We live outside River Falls, WI.

My start with dogs, specifically Springers, was during college with a backyard bred female of mostly show stock. Purchased for me by Mary, my then girlfriend. As you can expect the hunting instincts were not particularly strong. I purchased a field bred female from Sharon and Gary Kleinendorst, and I was invited to Kevin Martineau's farm to join his training group. I was hooked. Training groups are the lifeblood of our sport.

I started trialing in the late 1980's. My first trial dog, Nick, was a great dog. He was the 1993 Hi-point Open dog, and FC, AFC, CFC. Besides Nick, I raised, trained and titled his half-sister Polly, a tri-color, and Polly's son Woody. Due to family obligations and chasing two boys from hockey rink to hockey rink, I got out of trialing with a handful of titles, a few hunt test titles, and many great memories. I missed the training and trialing the whole time I was out. When I retired, I got back in. I "Pinched the Que" by getting a trained dog, then another. I have titled both of these dogs. I now have a young pup that I have high hopes for, time will tell.

This great sport has taken me to many unique locations, and I have met many great people. I would like to thank a few people for much dog guidance and friendship. Tom, Fred and Sue, Dean and Cathy, John, Kevin, Elmer, Tom, Todd, Clay, and Jerry. This list just scratches the surface, Thanks. Thank you for this great honor, and good luck.

-Peter Andersen

Event Photographer Steve Earley

Our event photographer this year will be Steve Earley of Dog Sports Photography. Steve specialized in dog action and outdoor portrait photography. He has been the field photographer for ESSFT events in Utah, Nevada, California and Oregon. He has also been the event photographer at two prior National Championships. Known for amazing action images, Steve uses the state of the art Nikon Z9 mirrorless camera which can take up to 120 frames per seconds. With the Z9 and his practiced skill gained at dozens of springer and cocker field trials, retriever hunt tests and dock diving events, Steve can capture amazing images of dogs at their best. Steve's talents extend to bird photography with several cover photos published in the Pheasants Forever magazine, calendar and other publications. Additionally, with Josh Riddle, they wrote an article about Josh's son Monroe and his dog Sharky which was published recently in the "Covers" magazine of the Ruffed Grouse Society. Steve resides in Centerville, UT with his wife, adult daughter and yellow lab, Bentley, who achieved his AKC Junior Hunter title this year.

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.

2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.

3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.

4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.

5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.

6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.

7. In judging a Spaniel's work Judges should give attention to the following points, taking them

as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy is offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

The Stockton English Springer Spaniel Training Club was established in 1941 and is one of the oldest Clubs on the West Coast.

Per our bylaws, our objective is to encourage and promote quality in the breeding of all purebred sporting spaniel breeds and to do all possible to bring their natural qualities to perfection. This is tested at our annual AKC licensed field trial and hunt test.

Our membership is open to anyone interested in sporting spaniels. Members currently have field-bred English Springer Spaniels, English Cocker Spaniels, and Welsh Springer Spaniels. We have an active training group from the Greater Sacramento/SF Bay Area and welcome newcomers from any location.

Congratulations Bob Sommer! *2025 HOF Inductee*

Bob Sommer's love of Spaniels began in 1952 when he saw a Spaniel field trial film clip while stationed in Greenland with the US Airforce. That love followed him back to his stateside home in Maine. Four years later Bob bought his first Spaniel from renowned breeder, Eudore Chevrier of Avondale Kennels in Winnipeg Canada for \$75 including the wooden shipping crate.

Over the years Bob had many achievements in the field.

- Over 6 champion titles.
- 1984 National high point dog with FC AFC White Oak Mark.
- 1986 National Open. Best dog handled by an Amateur. FC AFC White Oak Mark.
- 1999 National Amateur. Thrid place with Cedar Creek Bing.
- 1999 National Open winner. FC AFC Eagle Brae's Good Sport and best dog handled by an Amateur.

While Bob had an accomplished field trial career he also gave freely back to the sport. Over the years he belonged to, and served as officer and/or board member of more than a half dozen clubs including nearly a decade on the English Springer Spaniel Field Trial Association board of Governors (ESSFTA BOG). He gave his time generously judging many local trials and three National championships.

During his tenure on the ESSFTA BOG Bob was instrumental in revising the standards for today's Water Test qualifications as well as the impetus and driving force in establishing both the Southern Wisconsin Sporting Spaniel Club and the Central Wisconsin Sporting Spaniel Club.

**Bob gave more to the sport than he recieved.
He gave himself**

Thank you **Arenac Bay** **Veterinary Services**

For the “lost dog safety kits”. These buckets will be placed at the beginning of each course, on the bird planter buggy, the limited mobility buggy, and the committee buggy. In the kit will be water bottles, leashes, treats, first aid equipment and other items to assist if a dog is lost. We will be auctioning off the buckets to be taken home at the end of the trial.

Thank You Bob & Pam Lee!
