ENGLISH SPRINGER SPANIEL FIELD TRIALS

Getting You to the Line Since 1996

Holly Boggess • www.essft.com

From the Chairman

Thank You

Welcome to the 2025 National Open Championship!

Thank you to the landowners who make it possible for us to hold these competitions;

Irish Creek Outfitters- Steve and Mary Westfahl

Davis Outdoors- Josh Davis

Kelson Graber and Family

Clay and Karen Earl

A special thank you to the AKC who helped facilitate the holding of this national under the difficult circumstances encountered.

More special thanks to some long-time backers of our sport.....

For dedication to the game and service to it the Spaniel community would like to express our gratitude to Mhari Peschel for serving as the National open secretary for the last 25 years.

In recognition of great service to the sport and on his retirement from his employment with the American Kennel Club, we wish to thank and recognize Tom Meyer for his years of service and wisdom. Happy retirement Tom!

And thank you to all the team members and volunteers needed to plan and run these national events.

Your hard work is appreciated.

—Clay Earl

In Memory of

Don Bramwell

The Spaniel Field Trial world lost a special man on December 8, 2025.

Don's passion for English Springer Spaniels started with his dog Barbie Ballou. Through the years he had many champions including Tridon Miss American Pie, who was inducted into the Bird Dog Hall of Fame as the all time high point dog for English Springer Spaniels, RuChars Citations's Reward, Highlanders Robb Roy and Highlanders Tridon Gentle Ben.

Don and his wife Pat (Trish) were inducted into the National Bird Dog Hall of Fame in 2019 and in 2025 they were honored with the 2025 English Springer Spaniel Field Trial Association Lifetime Achievement Award.

Don and Pat were key members of the Springer Spaniel Club of Central Kansas and hosted many field trials and hunt tests on their property.

Don judged the 2002 and 2011 National Amateur Championships and many weekend field trials and hunt tests in the United States and Canada.

His many contributions to the sport will long be remembered.

Family was one of Don's greatest joys. His obituary said, "*Don Bramwell lived boldly, worked tirelessly, loved deeply and leaves behind a legacy of strength, adventure and devotion. He will be forever missed and lovingly remembered.*"

2025 National Judge Rick Shively

I am honored to be selected by my peers to judge the 2025 National Open. I have had the privilege to judge both Springers and Cockers since 2005. I have judged many trials in all of our interclubs and Canada providing me the experience to judge a National. My wife Carol and I acquired our first Springer in 1996. It has been a great journey meeting some wonderful people, training and judging some great dogs. I look forward to working with my co-judge Dominique Savoie to select the best dogs this sport has to offer. I believe judging a National is a privilege and honor as well as a great responsibility.

Good luck to all who are competing.

Rick Shively

2025 National Judge Dominique Savoie

Reflections on a Lifelong Journey with Dogs

Over fifty years ago, my journey with dogs began. The training of dogs and the camaraderie of like-minded individuals have sustained my passion throughout this odyssey.

Being invited to judge the National Open Championship is a tremendous honor. I take seriously the trust and faith placed in my judgments and opinions.

Gratitude goes out to all the dogs, handlers, committee members, and workers whose efforts have made this event possible. May the birds fly high, the guns aim true, and the best dog win.

All the best of luck to everyone involved.

Dominique

STANDARD PROCEDURE FOR SPANIEL FIELD TRIALS

1. The purpose of a Spaniel Field Trial is to demonstrate the performance of a perfectly trained Spaniel in the field. The performance of a Spaniel in Field Trials should not differ from that in any ordinary day's shooting, except that in the trials a dog should do his work in a more nearly perfect way.
2. The function of a hunting Spaniel is to walk at heel (or on a leash) until bidden to seek game. When so ordered, he should seek game in a brisk, quiet manner thoroughly quartering the designated cover, within gunshot, in the line of quest without unnecessarily covering the ground twice. When game is flushed, dogs should drop or "hup" to flush or command and, if game is shot, should retrieve at command only, but not until the Judge has instructed the handler. Dogs should retrieve quickly and briskly when ordered to do so and deliver tenderly to hand. They should then drop or "hup" until given further orders. Spaniels which bark and give tongue while questing are objectionable and should be severely penalized.
3. If a dog, following the line of a bird, is getting too far out he should be called off the line and later he should again be cast back on it. A dog which causes his handler and gun to run after him, while line running, is out of control. Handlers may control their dogs by hand, voice, or whistle, but only in the quiet manner that would be used in the field. Any loud shouting or whistling is evidence that the dog is hard to handle, and, in addition, is disturbing to the game.
4. A dog should work to his handler and gun at all times. A dog which marks the fall of a bird, uses the wind, follows a strong runner which has been wounded, and will take direction from his handler, is of great value.
5. When the Judge gives a line to a handler and a dog to follow, this must be followed and the dog not allowed to interfere with the other contestants running parallel to him.
6. The Judges must judge their dogs for game-finding ability, steadiness, and retrieving. In game finding the dog should cover all his ground on the beat, leaving no game in his territory and showing courage in facing cover. Dogs must drop to wing and shot and obey all commands. When ordered to retrieve they should do this tenderly and with speed. No trials for Spaniels can possibly be run without retrieving as that is one of the main purposes for which a Spaniel is used.
7. In judging a Spaniel's work Judges should give attention to the following points, taking them

as a whole throughout the entire performance, rather than giving too much credit to a flashy bit of work.

Control at all times, and under all conditions.

Scenting ability and use of wind.

Manner of covering ground and briskness of questing.

Perseverance and courage in facing cover.

Steadiness to flush, shot and command.

Aptitude in marking fall of game, and ability to find it.

Ability and willingness to take hand signal.

Promptness and style of retrieve and delivery.

Proof of tender mouth.

Where facilities exist and Water Tests are held in connection with a stake, the manner and quality of the performance therein should be given consideration by the Judges in making their awards. Such tests should not exceed in their requirements the conditions met in an ordinary day's rough shoot adjoining water.

Land work is a primary function of a Spaniel, but where a Water Test is given, any dog that does not complete the Water Test shall not be entitled to any award.

8. The guns should shoot their game in a sportsmanlike manner, as they would in a day's shoot. The proper functioning of the Official Guns is of the utmost importance. The Guns are supposed to represent the handler up to the time the game is shot, although not interfering in any manner with his work or that of the down brace. They are supposed, if possible, unless otherwise directed to kill cleanly and consistently, the game flushed by the Spaniels at a point most advantageous to a fair trial of their ability, with due regard to the dogs, handlers, Judges, gallery and other contingencies.

9. Care should be taken not to shoot so that the game falls too close to the dog. If this is done it does not afford a chance for the dog to show any good retrieving ability and often results in a bird being destroyed. The Guns should stand perfectly quiet after the shot, for otherwise they may interfere with the dog and handler. When a dog makes a retrieve no other birds or game should be shot unless ordered by the Judge for special reasons. The Gun must also keep himself in the correct position to the handler and others.

10. It has been repeatedly proven that the most efficient gun and load for this work, in all fairness to the dogs, handlers and those responsible for the trial, is a well-choaked twelve gauge double gun, and a load of not less than three drams of smokeless powder, and one and one-eighth ounces of No.5, No.6, No.7 or No.7 1/2 shot.

11. Wearing an article of blaze orange clothing is required in the field.

A SHORT HISTORY OF THIS TRIAL

By C. S. Goodall

The first National Field Trial for English Springer Spaniels was held in mid-December 1947 and was the direct result of several years of concentrated effort by a small group of sportsmen imbued with a desire to further the interest of the breed.

Much correspondence now molding in dusty file cabinets provided a factual and, in part, amusing chronology of events leading up to the acceptance of the idea to establish an annual National Field Trial, for the breed. Many of the objections and dire predictions forecast by those in opposition to the idea seem pointless now when viewed in retrospect. As a means to an end and as an end in itself the National trial has proven to be an overwhelming success and has become a permanent fixture on the agenda of those who follow and love fine sport.

The first National Trial was conducted by a field trial committee acting under authority delegated to the English Springer Spaniel Field Trial Association by The American Kennel Club. The basic procedures were established after long and careful study by a committee consisting of Henry L. Ferguson, Robert C. Bishop, Harry L. Caesar, Charles S. Goodall, Claude Jasper, William R. Kirkland, and the late Dr. Charles G. Sabin. This committee appointed William R. Kirkland and the late Leonard Leader as judges and Charles S. Goodall as Field Trial Chairman. The soundness of the procedures and regulations adopted by the careful action of the National Committee for the conduct of the first trial are attested to by the fact that they remain virtually intact since their adoption in 1947.

The basic and primary function of the National Field Trial is to select a National Champion English Springer Spaniel. The many great Springers that have attained to the title in the past provide overwhelming evidence that this objective has been accomplished. One, however, should not lose sight of the importance of several byproducts of the event and their wholesome influence on the breed and the sport. The interchange of ideas on all subjects pertaining to fine sporting dogs has enhanced the knowledge of all so engaged, and has contributed to the development of a warm feeling of mutual admiration and respect among sportsmen from all sections of the country.

The rare opportunity for observing the inspired handling of superbly trained spaniels with 500 years of hunting heritage behind them has been invaluable to trainers and breeders interested in improving and perfecting training techniques and in producing better Springers. Likewise, the experience of observing the fine sportsmanship exhibited by most owners and contestants in victory and defeat has created a feeling of admiration that has resulted in the growth of the highest sporting standards by the overwhelming majority of those in attendance. It can be said without fear of contradiction that the benefits accruing to the sport have been manifold and that the National serves as an appropriate and grand climax to the autumn field trial and shooting season for all real sportsmen.

As a tribute and mark of distinction to those fine gun dogs which have won or placed in past trials, to their handlers and owners, and to those serious sportsmen who have willingly accepted the responsibility of performing the many thankless tasks so necessary to the success of any organization, the officers and field trial committee are pleased to imprint their names on the following pages.

AWARDS & TROPHIES

To qualify the amateur handler must place first, second, third, fourth or be awarded a certificate of merit. This is to be a perpetual trophy with no permanent possession. Each year the name of the winning handler and a date awarded is to be engraved on the reverse side of the trophy, is to remain in his or her custody for one year, to then be returned for presentation the following year at the National Championship.

GUNNER’S TROPHY FOR THE DOG

IN THE JUDGEMENT OF THE GUNNER’S “They would most like to hunt over”.
DONATED BY essft.com.

DAN LANGHANS LEGACY TROPHY

Beginning in 2016 a trophy has been offered in honor of Dan Langhans and his contributions to our sport.

We all know what a fierce competitor Dan was. It was amazing to watch him work tirelessly shaping the next dog or fixing a problem that cropped up in preparation for the next trial.

He would say dogs are like a tube of toothpaste. If you squeeze too hard on one end something pops out on the other. He had many lines like that he would use to guide people who were willing to listen.

Dan took great joy in walking up and grabbing another ribbon or watching the owner take the honors for a dog that he himself so expertly handled. He also took as much joy watching someone he mentored rise to the task and accept the blue ribbon.

When you come right down to it, it was all about the next great dog, no matter who was running it. Dan's eyes would light up when he witnessed a dog that could do it all. Take a tough situation and make it gold. The very characteristics that win nationals.

So it is for this reason that a trophy meant to honor Dan Langhans will be awarded to the top dog in the country. After all, isn't that what Dan was.

This trophy is to be awarded to the overall high point dog in the country. It will be for the combined points acquired in both the open and amateur stakes during the qualifying period for the Nationals of that year. These points will be weighted based on the number of starters in each stake. The winning dog need not run in both stakes. This will allow the trophy to be accessible to all handlers. It will be a perpetual, traveling trophy that will be returned with the appropriate engraved plate honoring that year's winner for the next year. The trophy will be awarded at the latest English Springer Spaniel National of the year.

MARTIN J. HOGAN AWARD

Martin J. Hogan (1874-1951) was an iconic figure in the world of gun dogs in Ireland, Great Britain, and the United States, who in 1925 founded The Hogan Kennels in Barrington, IL. While he originally worked mostly with labrador retrievers he eventually changed his focus to working with English Springer Spaniels. He won the 1949 National Open Championship handling NFC Davellis Wager owned by David B. Silberman.

After his death in 1951 a number of Springer owners who had revered him established the Martin J. Hogan Memorial Award. The original sponsors intended that it be awarded annually to “the person who had made the greatest contribution to the growth of the Springer field trials in each calendar year”. Not surprisingly, this resulted in a very subjective selection process that proved difficult to administer. By the mid 1960’s, the sponsors, in consultation with David G. and Mary Hogan Lorenz, decided that the award would recognize the professional handler whose dogs had won the most points during the year in all Open stakes, weighted by size of entry.

The recipient receives a keeper award that includes a bronze cast made from one of the original 1950’s vintage keeper awards mounted on a plaque. A Large plaque with a medallion and name plates for the award winners is maintained in the Bird Dog Hall of Fame in Tennessee.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

WOOT WOOT!!!

Congratulations on qualifying for the 2025 National Open Championship!
I feel very blessed to have this amazing opportunity to
capture all the fantastic moments at this event.
Come see me to have a complimentary portrait of your dogs taken.

- For the best outcome have the portrait taken BEFORE running your dog.
- NO EYE BOOGERS!
- PLEASE bring a bird, hat, toy or anything to get your dogs attention for the perfect shot!

GOOD LUCK! MAY THE WIND BE STRONG,
THE BIRDS FLY TRUE,
AND THE GUNNERS BE ACCURATE!

The Stockton English Springer Spaniel Training Club was established in 1941 and is one of the oldest Clubs on the West Coast.

Per our bylaws, our objective is to encourage and promote quality in the breeding of all purebred sporting spaniel breeds and to do all possible to bring their natural qualities to perfection. This is tested at our annual AKC licensed field trial and hunt test.

Our membership is open to anyone interested in sporting spaniels. Members currently have field-bred English Springer Spaniels, English Cocker Spaniels, and Welsh Springer Spaniels. We have an active training group from the Greater Sacramento/SF Bay Area and welcome newcomers from any location.

Congratulations Bob Sommer! 2025 HOF Inductee

Bob Sommer's love of Spaniels began in 1952 when he saw a Spaniel field trial film clip while stationed in Greenland with the US Airforce. That love followed him back to his stateside home in Maine. Four years later Bob bought his first Spaniel from renowned breeder, Eudore Chevrier of Avondale Kennels in Winnipeg Canada for \$75 including the wooden shipping crate.

Over the years Bob had many achievements in the field.

- Over 6 champion titles.
- 1984 National high point dog with FC AFC White Oak Mark.
- 1986 National Open. Best dog handled by an Amateur. FC AFC White Oak Mark.
- 1999 National Amateur. Thrid place with Cedar Creek Bing.
- 1999 National Open winner. FC AFC Eagle Brae's Good Sport and best dog handled by an Amateur.

While Bob had an accomplished field trial career he also gave freely back to the sport. Over the years he belonged to, and served as officer and/or board member of more than a half dozen clubs including nearly a decade on the English Springer Spaniel Field Trial Association board of Governors (ESSFTA BOG). He gave his time generously judging many local trials and three National championships.

During his tenure on the ESSFTA BOG Bob was instrumental in revising the standards for today's Water Test qualifications as well as the impetus and driving force in establishing both the Southern Wisconsin Sporting Spaniel Club and the Central Wisconsin Sporting Spaniel Club.

**Bob gave more to the sport than he recieved.
He gave himself**

**Best of luck to all
at the 2025
National
Championships!**
